15. Multidisciplinary / interdisciplinary

Dadapatil Rajale Arts, Science and Commerce College, Adinathnagar was established in 1991 with B.A and B.Sc. As a part of our vision to introduce new programmes, B.Com, B.Sc computer Science UG and M.A., M.Sc. PG programs have been started to avail multidisciplinary higher education to deserving students. All UG and PG programs have a university curriculum. As the institute is affiliated to Savitribai Phule Pune University, Pune, we strictly follow its curriculum and academic calendar. BA and, B.Sc, B.Com, B.Sc computer Science UG and M.A., M.Sc. PG programs have CBCS mechanisms. The

Institute offers various subjects in the faculty of Arts, Commerce, Science, and Computer Science. The students can choose different subjects of their choice from any discipline which are available in the institution. Our institution has the potential to offer different subjects to transform itself into a holistic multidisciplinary institution. The Institute provides an opportunity to the students to visit the industries and some laboratories. The college also arranges study tours. Students can get actual experience and they can use the same for their career development. The university offers flexible and innovative curricula that include credit-based courses and projects in the areas of community engagement and service, environmental education, and value-based towards the attainment of a holistic and multidisciplinary for Quality and Excellence in Higher Education.

16.Academic bank of credits (ABC):

Academic Bank of Credits (ABC) is a digital storehouse that keeps the record of the credits earned by every student in his/her education period individually. There will be multiple entries and exit options during the higher education period. Academic Bank of Credits will enable students to open their accounts & credits will be transferred through it continuously. Registration of all the students was carried out for Academic Bank of Credits with DigiLocker Account. All mentor teachers guided their mentees for registration. Every student got ABC id. The institution couldn't register under the Academic Bank of Credits (ABC), since it is an affiliated college to Savitribai Phule Pune University. If Parent University allows us to be registered, the Institution will register for the same. As the guidelines of UGC and SPPU, Pune, we follow the choice based credit system (CBCS) from the academic year 2019-20 for all the programs. In this system, a student from all UG streams has to earn 132 compulsory credits from the curriculum and 08 additional credits have to be earned through various activities for award of degree. Every mentor teacher guides their mentees, how to earn 08 additional credits. For PG courses in Science stream, a student has to earn 80 credits in two years. For PG courses in Arts and Commerce stream, it needs to earn 76 credits each. Students can earn their additional credits from Human Rights, Cyber Security and Introduction to Constitution. Every year the PG Department of Chemistry organizes industrial visits.

17.Skill development:

The college offers bachelor degree programme in Computer Science as a technical/vocational programme. In addition to this, Soft skills of students are developed through certificate courses and core

subjects. Considering the local needs and skills required for students, college has framed 04 certificate courses - Yoga, Karate, Soil Analysis and Modi Lipi. Moreover, the Soft Skill Committee has organized One-week Soft Skill Development Programmes in the academic year 2017-2018 and 2019-2020. This programme primarily aims to make students aware about the importance of soft skills. The College offers flexibility in courses within the framework of the University. The Skill Enhancement Courses have been incorporated in the curricula by Savitribai Phule Pune University, Pune at UG and PG degree programmes. The students from Department of Computer Science integrate ICT into their presentations at various workshops and seminars. The college believes in the popular saying "values are caught and not taught" and accordingly celebrates various national, regional and religious functions/festivals. The NSS unit of the college, through its various activities, tries to inculcate humanistic, ethical, constitutional and universal human values. The Literary Association of the college organizes activities such as debate, essay writing and elocution competitions on themes like communal harmony and human rights to develop humanitarian values. The college has established Career Katta, an initiative of Department of Higher and Technical Education, Government of Maharashtra and Maharashtra Information Technology Support Centre, Kolhapur to equip the students with the skills and qualities required for the industry and corporate sector. Presently, 1076 students have registered with Career Katta which offers fifty (50) career-oriented programs and skill courses. Career Katta unit of the college has signed the MoU with Maharashtra Information Technology Support Centre, Kolhapur to establish Model Skill Development Centre on Skill India Portal under which courses like Beekeeper, Broiler Poultry Farm Supervisor, Citrus Fruit Grower, Fish Seed Grower, Mango grower and Fitness. Trainer will be launched for the students through offline/online mode. Every year the PG Department of Chemistry organizes an industrial visit and thus provides an opportunity to students to see the operations, workstations, plants, machines, assembly lines, and management of industry and interact with experienced professionals. The college ensures that students should improve their soft skills, research and development skills through its curriculum, electives, certificate and value-added courses as well as pedagogical transactions. The college constituted Soft Skill Committee to provide training and guidance to students regarding soft skills. The Committee organizes One-week Soft Skill Development Programme for the undergraduate students of the college. This programme primarily aims to instruct students the importance of soft skills in this digital age. It gives basic knowledge of communication and interview skills to the students which will help them to enhance their employability and productivity at professional

level.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institute follows the curriculum designed by Savitribai Phule University, Pune. The curriculum itself offers some courses that integrate the Indian Knowledge system. The curriculum prescribed itself integrates the Indian Knowledge System. The courses such as MIL (Modern Indian Languages) are available for the students. Students get thorough knowledge of IKS through these subjects. Sports (Physical Education) is another part of the curriculum through which students get the knowledge of Yoga. Most of the subjects in Humanities as well as to some extent in Science and Commerce streams impart IKS through the curriculum. The College belongs to rural area and most of the students enrolled for various courses are unaccustomed to English language. Hence, teachers are encouraged to make use of bilingual method for teaching. The faculties make use of bilingual mode to explain the complicated concepts of Science and technology which makes the learning accessible and ineligible. Students are encouraged to communicate in local language to solve their doubts regarding the subject. The degree courses such as in the subject of Marathi and Hindi at UG and PG level are taught in local languages. Almost all the courses in Faculty of Arts are taught in Marathi. A course on ' Modi Lipi (Script) ' was also offered to the students. All the courses in Science and Commerce faculty are taught bilingually. i. The Centre for Endangered Languages: The college has preserved some manuscripts which are available in the central library. The manuscripts such ' Mahabharat' and ' Bhagwat ' are made available for the readers. 'Sanskritic Kosh' and books on ' Vedas' are available in the library. ii. Various cultural programmes related to the rich Indian traditions are arranged. The programmes such as 'Traditional Day' and ' Saree Day' and other programmes such as Mehandi , Rangoli as a part of rich Indian culture. A course on Modi Lipi is a step towards integration of Indian Knowledge System. Integration of Yoga in the curriculum is one such step. Various programmes are arranged to create awareness towards the rich Indian culture. The College had organized the 'Surya Namaskar activity' which is recognized as a National Record. iii. Various programmes are arranged on Indian Arts and Culture in the NSS camp organised every year. Students enact various performances from ancient mythologies.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The Institute has prepared well-defined learning outcomes as per the curriculum. The vision and mission of the institution emphasize

promoting value education through motivated trained faculty to prepare the students to accept different challenges. Hard Copy of syllabi and course/Programme Outcomes are available in the respective departments for ready reference to the teachers and students. The College has appointed In-Charge for each Faculty Who prepares Programme outcomes for each Programme as per the syllabus. Every Head of the Department with the help of the subject teacher prepares Programme Specific Outcomes and Course Outcomes. These Programme Specific Outcomes and Course Outcomes are prepared as per the syllabus which strictly adhere to the syllabus. Course outcomes are displayed on the website of the College. Course outcomes are also described by the subject teacher in all the classes in the form of objectives of that subject. IQAC facilitates the teachers to prepare the COs and POs. The IQAC communicates the teachers from time to time and their problems are solved as per the requirement. A meeting is also organized to communicate with the teachers regarding the preparation of COs and POs. To transfer the curriculum towards OBE, various practices such as Study tours, Field Work, Group Discussions, etc. are conducted. The assessment of each Department is made through an internal audit conducted every year to assess the attainment of outcome Based Education and necessary instructions are given to the concerned.

20.Distance education/online education:

Distance education/online education: The college has prepared and successfully implemented the e-content development facility for students before the COVID-19 pandemic situation. Google Classroom has been used for teaching, learning, evaluation, and circulation of e-books and pdf files for students. Faculty members use Google Classroom as an LMS. The students can access Google Classroom at any time and anywhere. Faculty members have organized online lectures, quizzes, and MCQ for students. Free online e-books, journals/magazine links, etc. made available to students through WhatsApp groups. With the help of the college website, YouTube channel, and college Facebook account the students can learn about college courses, programs, and other information. The college has its own Media Centre in the Department of Computer Science. Online course distance learning is beneficial to students through YouTube channels. Dr. M. S. Tamboli, Prof. R. B. Adling, and Prof. A.H. Desai developed e-content as a study material for MOOCs for Savitribai Phule Pune University. The college has established a digital data repository and archived cells. Thus, the institution is well prepared to implement the 'New Education Policy, 2020.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

At the beginning of the academic year, the IQAC in consultation with all the staff members prepares the academic calendar of the college. The calendar is prepared in accordance with the calendar of the affiliating university. It comprises the entire plan of the year having information regarding the teaching-learning schedule, various events to be organized, holidays, and tentative dates of internal and semester examinations, etc. The calendar is communicated to all the stakeholders by uploading it on the college website and displaying in the principal's office and on notice boards. The college has adopted a method of assessing the academic performance of the students on a continuous internal evaluation basis. Each course carrying 100 marks will be evaluated with the mechanism of continuous Assessment (CA) for 30% and University Evaluation (UE) for 70%.

The College has constituted separate Examination Committees for conducting internal and university examinations. The Examination Committee (Internal) is formulated for the implementation of the Continuous Internal Evaluation process which monitors the overall internal assessment process. The committee conducts the internal examination. The other methods of Continuous Internal Evaluation like seminars, projects, field visits, tutorials, and assignments are followed at the departmental level. The IQAC monitors these activities in accordance with the academic calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The College is affiliated to Savitribai Phule Pune University, Pune, and follows the curriculum designed by the university. All the teachers, delivering their day-to-day lectures, consciously focus on topics related to cross-cutting issues like Professional Ethics, Gender, Human Values, Environment, and Sustainability while dealing with the Curriculum prescribed by the affiliated university. This practice enhances students' views and understanding of these crucial issues. Moreover, Savitribai Phule Pune University, Pune has introduced Environmental Studies as a compulsory subject for second-year students of B.A, B.Sc., and B.Com. and BCS. This subject, especially, deals with topics like Natural Resources, Ecosystems, Bio-Diversity, Pollution Social Issues, and Population. The second and Third Year of Political Science syllabus covers emancipatory ideologies such as Phule, Ambedkarism, Gandhism, and Feminism that emphasize on gender parity. Almost all courses taught at UG and PG level comprise one or the other topics dealing with these cross-

cutting issues. The concerned teacher emphasizes on such a topic to make students aware of these burning issues. The N.S.S. unit organizes various programmes like tree plantation, campus cleaning, and a Seven-days residential camp for the students to inculcate these values among students. The college organizes several programmes through which students are guided to understand the importance of universal human values and follow the principles of professional ethics.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The College has appointed a College examination officer as per the guidelines of SSPU Pune. There was a separate faculty wise appointment of the teachers to conduct internal examinations. These teachers prepared time- table for the internal examination and displayed it on the notice boards. Continuous department wise internal evaluation was also carried out with the help of tests, tutorials, and oral examination. Analysis of the result was carried out subject wise by the respective teachers and students were guided accordingly. Theory Course, Laboratory Courses, Seminars, and Project work are evaluated internally. Students are made aware of various parameters of the Internal evaluation system.

Subject teacher is asked to set the question papers as per the number of students. The marks of Internal exams are submitted to the university by online mode. Subject teacher collects the prints of internal marks submitted to the university. These prints are collected by the exam department. The photocopy of the answer sheet is provided. Result Analysis is done by the class tutors after the CIA Test. The principal conducts department wise Review Meetings to give necessary feedback for the improvement of students' performance.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

College adopted Centralized Continuous Internal Evaluation (CIE) System to assess student's development in both the semesters. The institute have faculty wise internal examination committees who made the students aware of the CIE and evaluation process.

Most of the grievances related to the examination are received after declaration of results by the University. For grievances related to university examination, the CEO collects applications from students dully signed by the principal and forwards it to the university. The grievances relate to problems in submission of online examination forms and queries related to mistakes in hall tickets and Mark sheets regarding name, course name and Programme name resolved promptly by the CEO by communication with university.

The students' grievances related to internal examination are solved by the College examination committee. Students have to approach the CEO. An application is to be submitted by the students to the examination department explaining their grievance. The examination department after going through the application forwards it to the principal. The principal in consultation with the CEO solves the grievance and makes the remark on the application which then comes back to the examination department. After taking necessary steps students are informed. The process is completely transparent.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The Institute has prepared well defined learning outcomes as per the curriculum. The vision and mission of the institution gives emphasis on promoting value education through motivated trained faculty to prepare the students to accept the different challenges. Hard Copy of syllabi and course/Programme Outcomes are available in the respective departments for ready reference to the teachers and students. The College has appointed In-Charge for each Faculty Who prepares Programme outcomes for each Programme as per the syllabus. Every Head of the Department with the help of the subject teacher prepares Programme Specific Outcomes and Course Outcomes. These Programme Specific Outcomes and Course Outcomes are prepared as per the syllabus which strictly adhere to syllabus. Course outcomes are displayed on the website of the College. Course outcomes are also described by every in all the classes in the form of objectives of that subject. There is a separate committee to facilitate the teachers to prepare the CO's and PO's. The committee communicates the teachers from time to time and their problems are solved as per the requirement. A meeting is also organized to communicate with the teachers regarding the preparation of CO's and PO's.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Students Mentoring System:

Principal Level: At the beginning of the academic year, the Principal holds meetings with the Academic Monitoring Committee.

Faculty Level: Mentors organize regular meetings of students and give necessary information regarding Infrastructural, Curricular, Co-Curricular and extra-curricular activities of the College. Faculty In-Charge prepares class-wise student lists. Teachers are provided with the list of mentees. Mentors welcome mentees into their classroom, laboratory, worksite. Mentors interact with mentees to identify slow and advanced learners and take further necessary steps for improvement. Mentors encourage mentees for participative learning. Mentors communicate the absent students & maintain a record of their attendance. Meetings are arranged with students on their interests and skills. Mentors guide mentees for various curricular and extracurricular activities. Mentors help mentees with academic needs. Mentors guide students about specialized subjects, curriculum, and career opportunities in subjects. Mentees are guided about their projects. They seek guidance from mentors regarding placement, competitive examination etc. Mentors give support in the form of books and finance. Advice and need-based mentoring are done depending upon the personal issues of the students.

Student Level: Mentoring includes every student.

Participative Management: Every stakeholder participates and plays an active role in effective mentoring.

The Principal and In-Charge of all faculties control overall monitoring.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The Academic Performance Indicator (API) system adopted by SPPU, Pune, is followed by the college. The API of faculty is evaluated by IQAC especially the coordinator and members based on evidence

produced and guidelines. The Principal reviews these reports containing the contribution of the faculty in teaching, learning and evaluation, curricular, co-curricular, and extension activities, academic and professional developments, and research activities. The confidential reports of each faculty are submitted by the heads of departments to the Principal. Considering the API score of the faculty, the Principal and Secretary of Dadapatil Raale Shikshan Sanstha forwarded the eligible cases to the Joint Director of Higher Education, Government of Maharashtra for the Career Advancement Scheme.

For non-teaching staff, the institution has a performance appraisal system which is based on confidential reports. The seniority of non-teaching faculty is an important criterion for the promotion of non-teaching staff. Office The Superintendent and Principal scrutinize confidential reports and performance of non-teaching staff before their time-bound promotions.

At Present institution and Shikshan Sanstha felicitate the teaching staff on completion of degrees like M.Phil. and Ph. D., awards by reputed institutions, and any other achievement.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

1. At the beginning of the Academic year, IQAC chalks out a Plan of Action toward Quality Enhancement, and by the end of the Academic year it measures the outcome achieved. The IQAC prepares the academic calendar of the college according to the calendar of SPPU. It comprises the entire plan of the year including Continuous Internal Assessment.
2. IQAC has consecutively conducted internal Academic and Administrative Audits for the last five years. The IQAC constitutes various academic committees every year to carry out all the activities. All the committees are categorized and codified and appointment orders of the committees are issued with composition and functions. IQAC has built a sound methodology for documentation and internal communication using the ICT tools. It has provided various formats to the faculty members like Faculty Profile, Committee Report, etc. They have been given access to the Share Drive with separate customized Gmail IDs for official communication. All the digital documentation has been recorded through shared Google Drive and Trello Board. It has provided a prescribed file name format for better documentation. Most of the documents are uploaded on the college website. It conducts hands-on training programmes and faculty development programmes for the staff.
